Computer Lab

The institution has a fully equipped central computer lab with sufficient number of latest generation systems. The centre caters to the computing needs of the faculty members and students. The lab provides a full time internet WiFi accessibilities. The lab works under the able guidance of a computer professional. It extends its service to all the students and staff during the working hours on week days from 9:30 am to 4:00 pm.

The objective here is to provide the infrastructure for conducting the regular labs and project works in practical subjects as per the curriculum. All the systems are in latest configuration. The computer lab is well sufficed with recent operating system such as windows7 and Fedora.
