Exciting New Courses at Kerala Agricultural University

Kerala Agricultural University (KAU) is thrilled to announce a range of new courses for the upcoming academic year. These programs are meticulously designed to meet the needs of today's rapidly evolving scientific and technical landscapes. This year, various colleges and stations under the university will commence offering these courses, covering a wide range of fields from animal science to bioinformatics. Interested candidates can submit their applications via the website admissions.kau.in. Apply by June 11, 2024, at admissions.kau.in or contact +91-487-2438143, 2438139 for more details. Let's explore these new courses, which could be your gateway to a rewarding career.

Ph.D. Programs

1. Ph.D. in Animal Science

The Ph.D. program in Animal Science is offered at the Communication Centre in Mannuthy, Thrissur, with six seats. This advanced program is designed for postgraduates in Veterinary Science, Agriculture, Horticulture, Fisheries Science, or any Life Science subject with a focus on Animal Science. It provides an in-depth exploration of animal biology, breeding, and management, equipping students with the necessary skills for both research and academic careers. Admission to this program is based on the Kerala Agricultural University (KAU) entrance exam and an interview, or based on Senior Research Fellowship (SRF). Interested candidates can contact Dr. Giggin at giggin.t@kau.in or 9847335759 for more information.

2. Ph.D. in Applied Microbiology

The Ph.D. program in Applied Microbiology is offered at the College of Agriculture, Vellayani, Thiruvananthapuram, with five seats. This program targets postgraduates in Microbiology, Life Science, Agricultural Microbiology or Plant Pathology. It focuses on providing students with comprehensive research and practical training, enabling them to apply microbiological principles effectively in various agricultural and environmental scenarios. Admissions are through KAU entrance exam and interview, or based on Senior Research Fellowship (SRF). For further details, prospective students can reach out to Dr. K.N. Anitha at hodmicr.coav@kau.in or 9446413861.

Master's Programs

1. M.Sc. Wildlife Management

The College of Forestry in Vellanikkara, Thrissur, offers 25 seats. Candidates with a degree in any subject with a minimum of 50% marks can apply. Delving into the intricate realms of wildlife habitat, biodiversity, and ecosystem dynamics, students embark on a transformative journey of exploration and conservation. Admission is based on academic merit. Interested individuals can contact Dr. P. O. Nameer at nameer.po@kau.in or 9745401986.

2. M.Sc. in Development Economics

The College of Cooperation, Banking, and Management in Vellanikkara, Thrissur, presents an exclusive opportunity with its M.Sc. in Development Economics, offering only

five seats. This program is ideal for those holding a B.Sc. (Hons.) degree in Cooperation and Banking or any degree in Economics or equivalent. It delves into the economic intricacies of development projects, policy analysis, and sustainable growth strategies. Admissions are strictly based on academic merit. For further details, reach out to Dr. Ushadevi at dean.ccbm@kau.in or call 8547121782.

3. M.Sc. in Environmental Science

At the College of Climate Change and Environmental Science (CCCES) in Vellanikkara, Thrissur, the M.Sc. in Environmental Science offers 20 seats. This program is open to candidates with a Bachelor's degree in Environmental Science, Botany, Zoology, Chemistry or B.Sc. (Hons.) in Climate Change with a minimum of 60% marks. Students will delve into topics like pollution control, conservation and sustainable development. Admissions are based on academic excellence. For more information, contact Dr. P. O. Nameer at nameer.po@kau.in or 9745401986.

4. M.Tech. in Renewable Energy Engineering

The Kelappaji College of Agricultural Engineering and Technology (KCAET) in Tavanur, Malappuram, offers a cutting-edge M.Tech. in Renewable Energy Engineering, with eight seats available. This program welcomes graduates in B.E./B.Tech. in Agricultural/Mechanical/Electrical/Electronics/Energy and Environmental Engineering (EEE). The curriculum emphasizes the latest advancements in renewable energy technologies. Admissions are on academic merit. For more details, contact Dr. Dhalin at deanengg@kau.in or 9446967622.

5. M.Sc. in Ocean and Atmospheric Science

At CCCES in Vellanikkara, Thrissur, the M.Sc. in Ocean and Atmospheric Science offers 20 seats. Applicants must hold a bachelor's degree in any branch of science discipline with compulsory subjects in mathematics and physics. The program covers comprehensive studies in oceanography, climate change, and atmospheric physics. Admissions are strictly merit-based. For inquiries, contact Dr. P. O. Nameer at nameer.po@kau.in or 9745401986.

6. M.Sc. in Climate Science

Another program at the CCCES in Vellanikkara, Thrissur, is M.Sc. in Climate Science, offering 20 seats. Candidates should have a bachelor's degree in any science discipline with mathematics and physics as compulsory subjects. Admissions are based on academic merit. For more information, contact Dr. P. O. Nameer at nameer.po@kau.in or 9745401986.

7. Master of Library and Information Science

The KAU Central Library in Thrissur offers a Master of Library and Information Science program with 30 seats available. Candidates with a bachelor's degree in any subject with a minimum of 50% marks are eligible to apply. The curriculum includes detailed studies on information organization, retrieval, and management. Admissions are based on academic merit. Interested students can contact the University Librarian at librarian@kau.in or 6282341717.

Integrated PG Programs

1. B.Sc. - M.Sc. (Integrated) Biology

At CCCES, Vellanikkara, B.Sc. - M.Sc. integrated program in Biology offers 30 seats. This program is ideal for students who have completed their Higher Secondary education in the science stream. Admissions are based on academic merit. For more information, contact Dr. P. O. Nameer at nameer.po@kau.in or call 9745401986.

2. B.Sc. - M.Sc. (Integrated) Microbiology

Another program at the CCCES, Vellanikkara, is B.Sc. - M.Sc. integrated program in Microbiology, with a capacity of 30 seats. This program extends its invitation to science enthusiasts who have completed their Plus Two/Higher Secondary education. Admission hinges on academic excellence. For additional information, Dr. P. O. Nameer can be reached at nameer.po@kau.in or via phone at 9745401986.

PG Diploma Programs

1. PG Diploma in Nutrition and Dietetics

The College of Agriculture, Vellanikkara, Thrissur, is offering a PG Diploma in Nutrition and Dietetics. With 25 seats available, the program is open to candidates holding a bachelor's degree in any science discipline with a minimum of 55% marks. Academic prowess is a key selection criterion. For inquiries, interested individuals can contact Dr. U. Krishnaja at krishnaja.u@kau.in or call 9497346289.

2. PG Diploma in Bioinformatics

At the same College of Agriculture, Vellanikkara, Thrissur, KAU is offering a PG Diploma in Bioinformatics. This program, open to candidates with a bachelor's degree in biological science, provides comprehensive training in bioinformatics. With 15 seats available, admission is merit-based. For detailed information, prospective students can reach out to Dr. Deepu Mathew at deepu.mathew@kau.in or call 9446478503.

3. PG Diploma in Food Industry Management and Quality Control

The College of Agriculture, Vellanikkara, Thrissur, is also hosting a PG Diploma in Food Industry Management and Quality Control. Designed for candidates from diverse academic backgrounds, this program offers 15 seats. Admission criteria prioritize academic excellence. For inquiries, interested individuals can contact Dr. K. P. Sudheer at kp.sudheer@kau.in or call 9447689466.

4. PG Diploma in Hi-Tech Horticulture

The College of Agriculture, Ambalavayal, Wayanad, is offering a PG Diploma in Hi-Tech Horticulture. With 15 seats available, this program is open to graduates from any academic background. Admissions are based on academic merit. For further inquiries, interested individuals can contact Dr. Airina C. K. at airina.ck@kau.in or call 9447754045.

5. PG Diploma in Agricultural Extension Management

KAU is offering a PG Diploma in Agricultural Extension Management at the College of Agriculture, Vellayani, Thiruvananthapuram. With 30 seats available, this program targets graduates in Agriculture or related fields, as well as professionals working in the agricultural

sector. Selection is based on academic merit. For detailed insights, interested individuals can contact hodextn.coav@kau.in or call 9447051292.

6. PG Diploma in Scientific Weed Management

At the same college in Vellayani, KAU is offering a PG Diploma in Scientific Weed Management. This program, with 10 seats available, caters to candidates with degrees in Agriculture, Forestry, Horticulture, Life Sciences, Biotechnology, or Engineering. Admissions hinge on academic excellence. For further elucidations, interested individuals can contact Dr. Sheeja K. Raj at sheeja.raj@kau.in or call 9495930693.

7. PG Diploma in Integrated Farm Management

Explore the intricacies of farm management with the PG Diploma in Integrated Farm Management, offered at the Communication Centre, Mannuthy, Thrissur. Open to graduates from diverse academic backgrounds, this program offers 25 seats. Selection criteria prioritize academic excellence. For detailed clarifications, interested individuals can contact Dr. Sulaja O.R. at sulaja.or@kau.in or call 9847813402.

Diploma Programs

1. Diploma in Retail Management

The College of Cooperation, Banking, and Management (CCBM), Vellanikkara, Thrissur, invites 60 candidates to enrol in its Diploma in Retail Management program. Applicants who have passed their Plus Two with a minimum of 55% marks in any stream are eligible to apply. Admission criteria prioritize academic merit. For comprehensive details, interested individuals can reach out to Dr. Ushadevi K.N. at dean.ccbm@kau.in or 8547121782.

2. Diploma in Agricultural Mechanization

The Agricultural Research Centre, Mannuthy, Thrissur offers a diploma program in Agricultural Mechanization. Welcoming candidates from diverse educational backgrounds, including Plus Two, ITI, VHSE, or Diploma holders, the program offers 25 seats. Selection is based on academic merit. For further insights, contact Dr. Suma at suma.nair@kau.in or 9446157139.

In a time marked by swift advancements and pioneering discoveries, the quest for knowledge stands as a cornerstone of progress. Whether your interests lie in agriculture, environmental science, or management, KAU's innovative courses pave the way to a future rich with opportunities. Seize the chance to embark on this exhilarating educational journey by reaching out to our esteemed course coordinators today. Together, let's navigate towards a brighter tomorrow filled with promise and potential. These programs offer a remarkable opportunity for students to propel their education and careers in specialized fields. Join the esteemed academic community at Kerala Agricultural University and unlock pathways to success.

COURSE DETAILS

Welcome to
KAU family

Agricultural research and education undoubtedly enhance the ambience of the world in which we live, work and thrive. From the days of inception of Kerala Agricultural University, this thought has been at the core of our academic enterprise. We are confident that the new generation of intellectuals moulded by our University will be prepared to tackle the diverse global challenges in agriculture including food security, resource stewardship and water availability.

Kerala Agricultural University (KAU) started functioning on 1st February 1972 and has been serving the farming community for over half a century. The University is the 15th in the series of the State Agricultural Universities. At present, the University has Eight Colleges, Six Regional Agricultural Research Stations, Seventeen Research Stations, Seven Krishi Vigyan Kendras and Seven Extension Units under the Faculties of Agriculture, Agricultural Engineering & Technology and Forestry. In addition, the Institute of Agricultural Technology, Pattambi offers Diploma in Agricultural Sciences. An incubation centre for Entrepreneurship is fully functional at Vellanikkara and provides academic-industrial collaborations for the students.
