2 Minutes of the 139th meeting of the Academic Council held on 31.03.2023

Item No:V(19)

ORDER

As per paper read(1), the 65th Board of Studies of Faculty of Agriculture has approved a proposal to include a clause in the modified/revised guidelines for registering supporting courses from minor disciplines in case of PG/PhD students to the effect that *"In addition to the listed supporting courses,students may opt for other supporting courses in related disciplines as approved by the the Head of the Department and Major Advisor".* The Board of Studies has observed that this will offer a flexibility in opting for supporting courses and reduce the load on generating an extremely long list of supporting courses across the University, under the current curriculum change in PG and Ph.D programmes of 2022 admission, as revised and restructured by ICAR.

The proposal has been placed before the 139th Academic Council and the Council as per paper read (2) has approved the proposal .

In the above circumstances the following orders are issued.

The PG /PhD students of all Faculties, while registering supporting courses from minor disciplines, are hereby permitted to opt for supporting courses in related disciplines also, as approved by the Head of the Department and Major Advisor, in addition to the listed supporting courses.

The relevant PG/PhD regulations stands modified to the above extent.

The modification will be applicable from 2022 admission onwards.
